ADDENDUM 1
IFB 19-02 Newton Woods Paving
And Drainage Rehabilitation

ISSUED: May 14, 2019

<p>The above-referenced Invitation For Bids is amended and clarified as follows. Please return signed any/all signed addenda with Sealed Bid.</p>

As it was not specifically mentioned in the Scope of Work, the following is added:

1. Resurfacing requirement includes re-striping such that existing striped areas are made part of the final delivered product.
2. Any speed bumps are to be replaced at existing locations.
3. Vehicle parking wheel stops to be re-set.
4. Any signage that is removed or altered as part of the work, shall be replaced or re-set at existing locations.
5. Plan/Survey for the project will be posted as a separate document on the website by 5pm May 14, 2019, to facilitate ease of use.
6. Several existing trees along swales shall be removed by the WPBHA prior to the commencement of work.

Bidder, by signing below, accepts the revisions/clarifications as outlined above, and the content of this Addendum has been considered in firm-fixed price.
